## Unlocking potential, growing stronger together

Welcome

This term has been fantastic and I am incredibly proud of the wide range of opportunities our staff have created for our pupils. Providing enriching learning experiences both inside and outside the classroom is enabling our young people to excel. At the heart of our work is a commitment to ensuring ambitious and inclusive environments in every school where every child can thrive.

Collaboration continues to be one of our greatest strengths and it helps us grow stronger together. Alongside sharing excellent practice across our Trust, we have developed a new school improvement model that reflects the updated Ofsted Inspection Toolkit. We have also established key networks focused on inclusion, safeguarding and assessment, and our next network will focus on digital innovation.

We are excited to be developing a Trust wide digital strategy that will enhance teaching, inspire our pupils and support our staff. Over the past eighteen months we have carried out extensive research and visited several schools to explore how digital tools can transform learning. Later in the year we will provide you with further details on this strategy.

Finally, I warmly welcome all families who have joined our schools this term. Your support and commitment are deeply appreciated and together we will continue to unlock potential and grow stronger as a community.

Warm regards

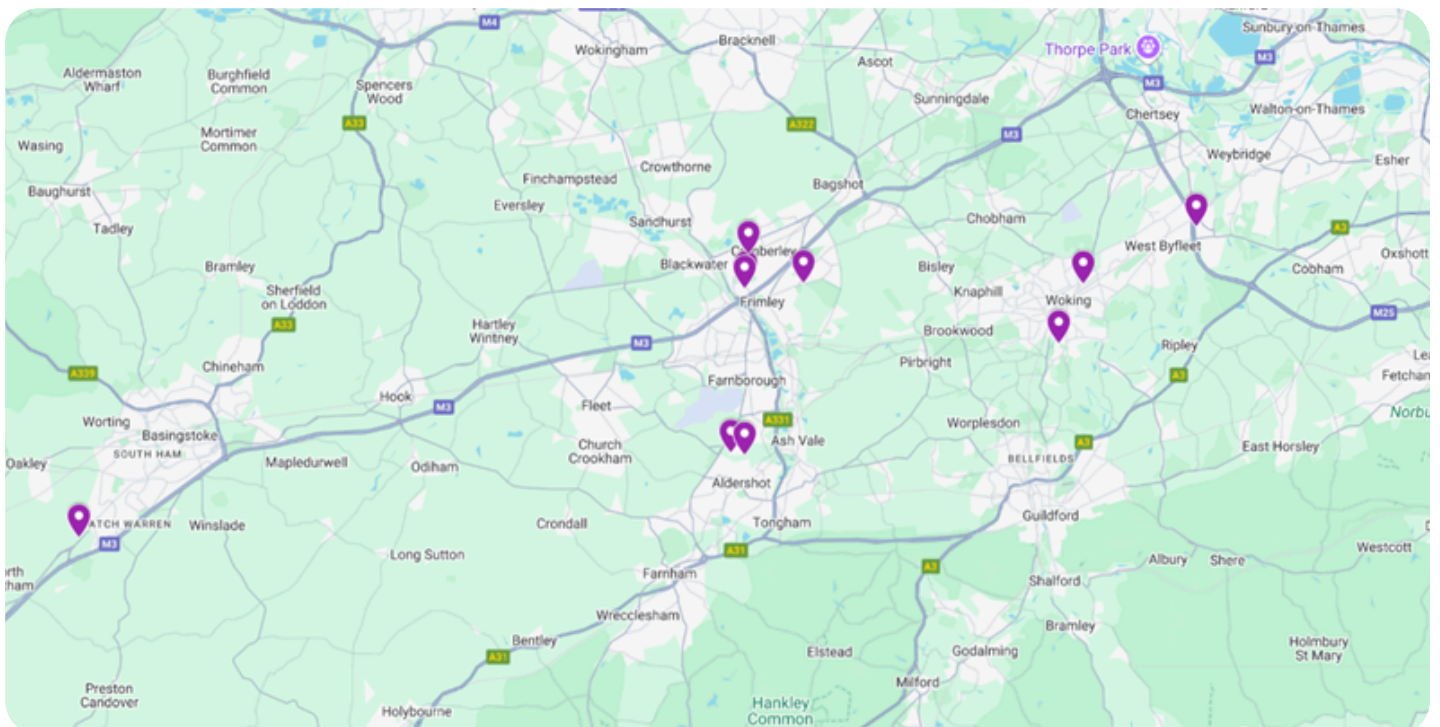

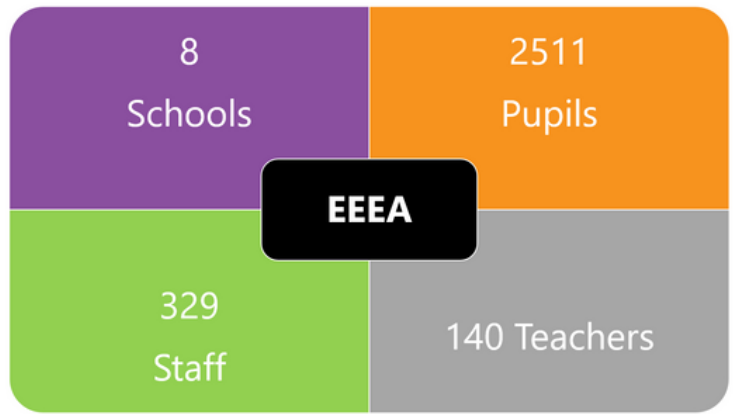

David Harris  
CEO

# EEEA Pledge to our families:

We are dedicated to:

- safeguarding, nurturing, and cherishing your children, fostering belonging;
- delivering outstanding teaching across all subjects while relentlessly pursuing excellence;
- prioritising high standards in English and Mathematics within a diverse and engaging curriculum;
- valuing and respecting your children's creativity, individuality, and voices, supporting their self-belief and confidence as they grow;
- and empowering them to confidently embrace their next educational and life endeavours as they transition from primary education.

# SCHOOL NEWS

## Byfleet Primary School

This term, Byfleet pupils have been taking their learning into the local community. Year 1 enjoyed an inspiring visit to the Lightbox gallery in Woking, where they were praised for their excellent behaviour and enthusiasm. They designed sculptures that represented themselves and their communities, linking closely with their art and design curriculum. Year 2 continued the local learning theme with a trip to Byfleet Fire Station, the oldest in Britain, where they learned about the history and development of the fire service. They also visited the local library and St Mary's Church, making it a very full day for everyone.

Higher up the school, Year 6 impressed with a thoughtful class assembly about the changes of the Edwardian era, including the construction of the Brooklands track. Pupils across the school have enjoyed recognising their learning within their own community.

## The Cambridge Primary School

This term has been exceptionally busy and rewarding for our Cambridge community, filled with memorable learning experiences and strong examples of our school values in action.

Year 6 began the term with a week-long residential at PGL Liddington, which offered teamwork, outdoor challenges and opportunities for personal growth. The trip helped pupils bond as a cohort and build the confidence and independence they will need for secondary school. Year 2 enjoyed an inspiring visit to Windsor Castle where they explored the history of the British monarchy and the grandeur of this working royal palace.

Pupils in Years 5 and 6 sang beautifully at the opening ceremonies of Hounsome Fields and Stanhope, representing The Cambridge with pride and excellent behaviour. Our annual Fireworks Night brought families and the wider community together for an evening of celebration. The term ended with children taking part in the Garrison Christmas Community Concert where they performed a moving version of In The Bleak Midwinter.

# SCHOOL NEWS

## Year 5 Watersports Week

This term, all five of our Year 5 classes had the fantastic opportunity to spend a day at The Quays in Mychett, where they took part in exciting watersports activities. With great weather throughout the week, the children made the most of their time on the water. They learnt new skills, challenged themselves and had plenty of fun along the way!

The experience was not only a great adventure but also a wonderful chance for our Purple People to live out our Ravenscote school values, showing teamwork, responsibility, and excellence. It was a week full of smiles, splashes and unforgettable memories!

## Ravenscote Junior School

## Maybury Primary School

This half term commenced with an exciting learning opportunity called LifeSpace. Through interactive workshops, the children explored health, wellbeing, and resilient behaviours in a fun and engaging way. Hands-on learning took place in a mobile pop-up dome classroom set up in the hall, creating a unique environment for exploration.

Children from Nursery to Year 6 participated in these enriching workshops, covering a range of important topics such as understanding emotions, exploring friendships, learning about resilience, and discussing healthy lifestyles and mental health awareness. The workshops encouraged open discussions and provided practical strategies that children can use in their daily lives.

It was wonderful to see the children engaged and enthusiastic about their learning, with many saying how much they enjoyed the dome classroom experience. LifeSpace is something the children look forward to each year. It is a fantastic way to promote holistic development and well-being!

## Westfield Primary School

### A Magical Christmas at Westfield Primary School!

Westfield Primary School has been filled with festive cheer this term. Celebrations began with a fantastic pantomime of Snow White, followed by a series of wonderful performances from our children. Year R charmed families with Wiggly Christmas, Years 1 and 2 shared the nativity in Prickly Hay, and KS2 impressed in their lively Christmas sing-along. Year 6 also took part in a reflective and meaningful Christingle service.

Festive jumper days and a brilliant school fair brought the community together. The term concludes with Carols Around the Christmas Tree, a special event uniting children, staff and families. Happy Christmas!

## South Camberley Primary and Nursery School

Remembrance Sunday

South Camberley house captains represented the school at the Remembrance Service at St Mary's Church, where they laid a wreath and read 'For the Fallen' as part of the ceremony. They showed real maturity throughout and were excellent ambassadors for the school.

In the lead-up to Remembrance Day, the house captains also sold poppies every day after school, helping our community to support the Royal British Legion's appeal. Thank you to everyone who bought a poppy your support was greatly appreciated. Their commitment and sense of duty made us very proud.

## Hounsome Fields Primary School, Basingstoke

Hounsome Fields Primary School was officially opened on 6<sup>th</sup> November by the Vice Lord-Lieutenant, Colonel (Retd) Charles Ackroyd TD RD DL.

We were delighted to be joined by the local MP Luke Murphy, as well as members of our Trust board and Senior Councillors from Hampshire County Council.

Headteacher, Bradley Carter and his team delivered a fantastic ceremony to mark this historic day. The first term at Hounsome Fields has been terrific and the founding parents, carers are helping to create a wonderful community. We look forward to the school continuing to thrive and be at the heart of this new development.

# Stanhope Primary School

Stanhope Primary School had its official opening on 18th November. We were delighted that HM Lord-Lieutenant of Hampshire, Mr Nigel Atkinson officially marked the occasion.

As well as the developers, members of the Trust and Hampshire County Council, we had a strong military presence. It was great to have personnel from the Irish Guard as well as the Commander of the Garrison, Lieutenant Colonel Macpherson. Everyone enjoyed meeting Seamus, the Irish Wolf Hound!

Lady Louisa Porter, who opened The Cambridge Primary School attended the opening, alongside, the Mayor of Rushmoor Cllr Callum Stewart and local MP Alex Baker.

It was a community celebration which focused on how we can unlock potential and grow stronger together. Stanhope has two reception classes and we are nearly full with 60 children. Great work by Mrs Kennedy and her team!

## How our staff help develop our work

As a Trust we constantly seek the views of our staff to ensure we are providing the resources they need to be the best teachers.

Working in education is rewarding as well as challenging and we are determined to retain the best quality staff. This is not an easy task due to the number of pressures schools are expected to deliver on.

We are incredibly proud that some of our schools have been recognised nationally for how we listen to our staff and act on their feedback. We are incredibly proud yet again that Maybury Primary School has won another Edurio award - well done team Maybury.

Our success depends on working together in a spirit of trust and respect. Every member of our community has a role to play in keeping morale high and ensuring our schools are safe and happy places.

### Listening & Acting – Staff feedback AWARD

THIS CERTIFICATE IS PRESENTED TO  
**Engage Enrich Excel Academies**  
Maybury Primary School

This recognition reflects your outstanding achievements as the top-ranked primary school in the South East, based on survey data from the 2024/25 academic year.

## EEEA Trustee Recruitment

We are seeking up to three new Trustees to support our continued growth and help us live our values of **Belong, Respect and Empower**.

We welcome expressions of interest from individuals with strong educational, financial or strategic expertise. If you would like to discuss becoming a Trustee, please contact our CEO, David Harris, via [info@eeea.co.uk](mailto:info@eeea.co.uk)

# EEEE Trust Governance

## Chair of Trustees – Stephen Norton

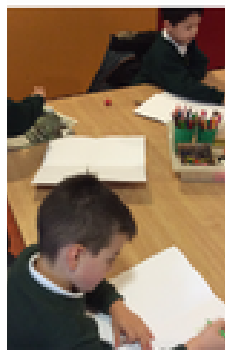

I feel incredibly proud of all that has been achieved across our Trust this term. It has been a successful and inspiring term, shaped by our shared values of Belonging, Respect and Empowerment.

Across the Trust, we work closely with our local governors to create the conditions for our staff to thrive. Our governors play a vital role in supporting school improvement, championing our communities and ensuring strong governance. We extend our sincere thanks for their commitment.

I wish you all a wonderful festive period filled with warmth and joy.

**Unlocking  
potential growing  
stronger together**

## THANK YOU TO YOU!

We are deeply grateful to our wonderful parents and carers whose support, trust and commitment make such a significant difference. Working in genuine partnership with you strengthens our schools, enriches our communities and ensures every child can thrive in an ambitious and nurturing environment.

As our Trust expands, we are steadfast in valuing the individuality of each school while working together to enhance the learning journey of every child.

There is much to look forward to, and the path ahead holds great promise for our pupils, our staff and our families.
